

Phlebotomy

-the art of collecting blood-

Part time position available - 20 hours per week

Location-Central Hub (Courtenay Place)
-including other locations from time to time

What's involved?

- You'll be part of a phlebotomy team responsible for collecting specimens from referred patients and receiving other samples that are dropped off at our Collection Rooms.
- You will also perform patient reception duties, including billing patients for services provided by the laboratory.
- You will be working with patients of all ages and circumstances so a high standard of customer service must be upheld at all times.
- You'll have good computer skills and the ability to follow processes accurately.

What do you need?

As this role requires a high level of patient care and attention to detail, you will need a friendly, helpful and compassionate nature, and be able to maintain high standards of customer service and accuracy at all times.

You will pride yourself on being professional and calm in all circumstances.

Phlebotomy experience is preferred but not essential. Full training will be given to the right candidate.

What are the hours?

4 hours per day, rostered between 7:00am and 1:00pm, Monday to Friday with rostered weekends. Flexibility of available hours into the afternoon from time to time would be an advantage.

If this sounds like a role that you would enjoy, please send your CV and a cover letter indicating your interest and why you are the ideal applicant for this role, to Rosie Batt at rbatt@apath.co.nz by noon on Wednesday 3rd March, 2010.
